

Hi Friends!

We know it can be a little tough for your children to be stuck inside and not able to get to church. To help us keep connected, we've started a YouTube channel for the Kids Ministries at Millersburg Assembly of God. You can find the channel online at:

https://www.youtube.com/channel/UCAFK7tFSdqq029BB1_c5v7Q

We've formatted several videos so they can also be seen on YouTube Kids (if your family has access to that). Over the next few weeks, we will be posting videos and lessons so your kids can keep learning about God! We'll also have a few crazy contests to keep their minds occupied and give them something to do!

In this envelope, you'll find a "Flat Jesus" picture for each child in your house. Over the next few weeks we will be running several contests emphasizing that Jesus is with us wherever we go. A few years ago, some schools ran the "Flat Stanley" project. Well, this is the "Flat Jesus" project.

Here's how it works. Each child will receive a "Flat Jesus" picture. They can cut him out, or leave him on the full sheet. Encourage them to take the picture of Jesus everywhere they go. Use your phone's camera to take snapshots of Jesus with your kid or in different situations for each contest. We'll post the pictures on our Kids Ministries Facebook page and vote for the winners.

Remember, take Jesus everywhere!
